1. SOURCE

The reserve fund is made up of the sum of various subsidies received from the FTQ for health and safety training given to the PSAC and the balance of the education assistance fund once earmarked for the PSAC and known as the Labour Organization Assistance Program (PAOS). Expenses subsidized by these savings are deducted from this amount.

2. ADMINISTRATION AND CONTROL

The reserve fund is administered by the Quebec Council on the recommendation of the Finance Committee and the Regional Executive Vice-President for Quebec. This fund is managed separately from the budget allotment made to the Quebec Region by the PSAC Convention. The financial statements will be produced annually. The delegated authority of the reserve fund is composed of the Regional Executive Vice-President for Quebec, the chair of the PSAC-Quebec Finance Committee and the PSAC regional coordinator for Quebec. Two (2) of three (3) signatures are required to issue cheques from this fund.

The Regional Executive Vice-President for Quebec shall have custody of the investments and update the transactions when investments are renewed or redeemed.

3. FUNDING AND ACCESSIBILITY

The reserve fund is accessible through the Quebec Council for union activities of PSAC-Quebec members. It is a complement and not an inexhaustible source of funding. All efforts should thus be made so that these activities are fully funded from existing PSAC budgets.

The reserve fund shall be used to fund various union activities such as conferences, conventions, training activities, mobilization, organizing, health and safety, special events, etc. Requests shall first be approved by the Quebec Council.

The Regional Executive Vice-President for Quebec has the flexibility to release the funds necessary to finance an activity without prior authorization from the Quebec Council, provided it has this cash withdrawal approved at the subsequent meeting.

- Costs including wage loss, childcare expenses, travelling expenses, meals, incidentals, accommodation (in accordance with PSAC's reimbursement policy)

CALL FOR NOMINATIONS FOR REGIONAL EXECUTIVE VICE-PRESIDENT AND ALTERNATE REGIONAL EXECUTIVE VICE-PRESIDENT

Call for nominations Quebec Region

This is the official call for nominations for the position of Regional Executive Vice-President (REVP) and Alternate Regional Executive Vice-President for the Quebec Region. Elections for these positions will be held at the PSAC-Quebec Triennial Convention on (DATE) in (LOCATION).

A nominations form is attached to this letter for each of these positions.

As a result of a decision by delegates at the 2003 PSAC National Triennial Convention, and for the first time in our Union's history, Regional Executive Vice-Presidents and their Alternates are being elected in the regions, at their respective Regional Conventions. Any PSAC member in good standing in the Quebec Region is entitled to run for these two positions.

As Regional Coordinator, I have been assigned the responsibility for sending out the call for nominations, receiving the nominations in advance of the Regional Convention, and working with the Nominations Committee at the Convention itself.

Here's how the procedure will work and what to do if you want to run for office.

Nominations Procedure

A Nominations Committee will be appointed by the Quebec Council and ratified on the Convention floor. The Chairperson of the Nominations Committee, a member of the AEC or a former member of the AEC is appointed by the Quebec Council and will conduct the election of REVP and Alternate REVP.

In advance of the Convention, in my capacity as Regional Staff Coordinator, I have been tasked with facilitating the nomination process. I am also responsible for ensuring that the nominations are filed with the Nominations Committee in writing, signed by the nominator and seconder, each of whom must be an accredited delegate to the PSAC-Quebec Triennial Convention.

Eligibility for Office

Candidates nominated for the position of REVP and Alternate REVP do not have to be a delegate to the Convention, but must be a member in good standing and live or work in the Quebec Region. However the nominator and seconder must be delegates to the PSAC-Quebec Triennial Convention.

Submitting the Nomination Form

You will find attached a Nomination Form for the position of Regional Executive Vice-President and Alternate Regional Executive Vice-President.

Nominees who will not be present at the Regional Convention must submit a nomination form to me prior to the start of the Regional Convention.

Nominees who will be present at Convention can submit a nomination form to me prior to the start of the Regional Convention, or submit a nomination form to the Nominations Committee during Convention, or be nominated from the floor at the Regional Convention.

The Election Process

Given that the election of the REVP and Alternate REVP in the regions was decided at the 2003 PSAC National Triennial Convention – which took place after our last Regional Convention – changes to the Regional By-Laws outlining the new election procedure for the REVP and Alternate REVP will have to be made on the Convention floor.
