

## Voluntary Self-Identification Form as an Equity Group Member

PSAC-Quebec continually compiles a list of members belonging to an equity group. This list is used, among other things, to identify potential candidates and voters for equity group representatives, and to elect a Director of Equity Groups for the Quebec region. It will also allow us to set up initiatives, programs, and conferences for the various equity groups.

This information is for internal use only. It will be kept in accordance with PSAC's Regulations and applicable Laws on the confidentiality and security of personal or sensitive information. No broadcast will be made.
